From the Start

Established in 2005, Comerio Homes was built from a desire to do things differently and build better homes from the start. Comerio Homes saw and capitalized on the opportunity to build homes from the ground up with the highest quality materials, exceptional designs, and, of course, the greatest customer care.

QUALITY YOU CAN FEEL

As a leading residential new home building company, Comerio Homes is dedicated to crafting homes that embody quality, innovation, and exceptional design. We don't just build houses; we create homes where memories are made and futures are shaped. Here's why Comerio Homes stands out in the industry:

Our Homes:

- Quality Craftsmanship: Each home we build is a testament to superior craftsmanship and attention to detail.
- Innovative Designs: We blend modern aesthetics with practical functionality to create homes that enhance your lifestyle.

Our Services:

- End-to-End Solutions: From initial design concepts to the final walkthrough, we manage every step of the building process.
- Transparency: We believe in clear communication and transparency throughout the entire construction journey.
- Customer Satisfaction: Your satisfaction is our priority. We strive to exceed your expectations with every home we build.
- Customization: Your home should reflect your unique style and preferences. We offer customizable options to tailor your home to your needs.

Our Unique Components:

- Energy Efficiency: We integrate sustainable practices and energy-efficient technologies to reduce your carbon footprint and utility bills.
- Smart Home Features: Embrace the future with smart home technologies that add convenience and security to your daily life. Designed with health in mind, featuring advanced air and water filtration systems for a cleaner, safer living environment.
- Healthy Home Features: We prioritize your well-being with our innovative healthy home features. Our homes are designed with advanced air filtration systems, non-toxic building materials, and energy-efficient solutions to ensure a healthier indoor environment. Enjoy enhanced air quality, reduced allergens, and sustainable living with our state-of-the-art homes that put your health and comfort first.
- Quality Materials: We source materials from trusted suppliers to ensure longevity and durability in every home.
